Advent/Christmas Lanterns

"Light the Way to the Manger"

This year's theme for Advent/Christmas is "***Light the Way to the Manger***." For $5, you can purchase a mini-lantern, which stands at 2.5x5.5" with frosted, glass sides and includes a battery-operated tea light. You will randomly get one of three assorted styles. These lanterns will be displayed in church and you can pick yours up after the Christmas season is over.

A second option is to "adopt" a larger battery-operated lantern (approximately 15"). We would like to light the way to the church at the Christmas Masses, by putting up large lanterns along the sidewalks and up the front steps. Each lantern costs $25. After the Christmas season is over, you have the option to keep this lantern or donate it to the church.
