**Keeping the Park Looking Nice!**

There are quite a few folks currently volunteering to do the little extra things to help keep our parks and village looking sharp, but they could use more help! No commitment, just help whenever it fits your schedule. Maybe bring your kids along to help. Just general clean up, trimming, maybe some painting, etc. If you see some clean up that needs done, feel free to do it OR contact Bernice at the Village office (419-532-3899 kalidavillage2@bright.net). Bernice will be maintaining a list of possible things you might do to help keep our parks and Kalida looking good. THANK YOU to our current VOLUNTEERS! We look forward to a few more folks finding an hour or two here and there to help them out!

The Feast of John the Baptist

This Monday, August 29, is the feast of the Passion of St. John the Baptist ... the patron saint of Continental. Kalida’s patron, St. Michael, will be celebrated on September 29. This kind of raises a basic question: why do we name our churches after saints? Why not simply Continental Catholic Church, for example? The answer is both historical and theological. Since the time of Apostles, the faithful realized that it was a challenge to follow our Lord’s way in this world. It was a spiritual battle to resist the many temptations, as well as the outright attacks to the faith. Out of recognition of their own limitations, the faithful would pray to the saints for their intercession and protection. Thus beginning the idea of a patron saint ... a person in heaven looking out for you. Meanwhile, it was illegal in the Roman Empire to be Christian, so the faith could only be practiced “underground.” As it became legal in the 3<sup>rd</sup> century to openly practice, the faithful gatherings became public, bigger, and organized. Consequently, these new bodies of faithful gathering recognized the need for their parish to have their own patron ... a saint who would look out not only for each member, but the entire body as it navigated this crazy world. Thus the beautiful tradition began.

One practical benefit of this tradition is that it places a saint’s story before us, thus providing an example of how best to approach this world. In the case of John the Baptist, he was a man who stood up for what was right without apology. The first scene we see of him in Scripture is baptizing ... a way of recognizing that some things in our life are not in our best interest, and need to be “washed” away to begin new. John was not being impractical, but realistic: what are we made for, what is actually good, and what do I need to do on my part? This was on full display when he called out the false way of life that King Herod was living. A dangerous move considering that it led to his physical death; but, pales in comparison to compromising one’s soul.

So, on this feast of John the Baptist, we pray for the faithful in Continental and ask for St. John’s intercession. But, let us also learn from his life and ask: am I standing up for the ways of our Lord the best I can (for myself, my family, my community)? What are main things that tempt me to compromise my faith? What in my life do I need to be “washed” clean from through the sacrament of Penance? St. John the Baptist, pray for us! *Fr. Nathan*

Meet and Greet with Fr. Nathan...

is where someone is willing to host me at their home and invite 8 – 12 adults (food/appetizers/drinks are optional). It’s a great time for me to get to know you, to learn what you love about your parish, and where you think we can do better in worshiping our Lord and serving His people. There is no real formal structure to these; rather, its meant to be laid-back, social, and a time to throw questions at one another. The length of these are usually 1.5 – 2 hours...really just depends on our conversation. If you are willing to host a “Meet and Greet” and know the other adults you plan to invite, call Leslie (419-532-3474). *Fr. Nathan*  
**Note:** Fr. Nathan is available every day of the week. Mondays are any time from 5:00 - 8:00 p.m. In addition to evening time slots, he is also available from Noon - 2:00 p.m. Tuesday through Friday. Saturdays are 5:30 - 8:00 p.m. and Sundays are Noon - 3:00 p.m. They are happening now through October.

Update on the Renovation of St. Michael’s Holy Name Ballpark

Given the historic significance of the Holy Name Ballpark, the committee’s initial intention was to renovate/update the grandstand structure. After proper due diligence, further inspection and the advice of construction consultants, it was unanimously decided it was beyond repair. The historic structure

was brought down on the evening of August 16. The last time the corner of Price and 6th Street looked this way, was 1949.

The site is now prepped, and construction of a brand-new grandstand is set to begin – finally! This iconic corner will see a modern replica rise up, filling in the corner much the way it was, with new amenities, restrooms and a few fun fan surprises. The committee would like to extend a sincere thank you to the entire community for their support, generosity and patience during this process. Not only will this be a great place for baseball, it will beautify a prominent corner of the village and celebrate the site’s rich history.

Photos of the deconstruction of the grandstand were submitted by Dennis Siebeneck.
