### "High School Group of the Year" Honors

Grace Rall, Ella Schumacher and Lauren Bockrath (front row) represented the Kalida Students for Life Organization at the National Leaders Collective in Washington D.C. this past weekend. Their pro-life efforts earned them a nomination for "High School Group of the Year" and a free trip to our nation's capital. With the support of your online votes, they won the top award! There are several other students who are a part of this group who could not make the trip. We want to congratulate all these girls for their hard work in fighting for the rights of the unborn!
