

ST. MICHAEL CATHOLIC CHURCH - KALIDA, OH - NOVEMBER 27, 2022

The Precious Blood

Since arriving in August, I often received the question: when is the Precious Blood coming back to Mass. As you may recall, this practice was suspended in the midst of the pandemic in 2020. It was always a local decision as to if and when it could return. While many points need to be weighed in this decision, the biggest point in my estimation was if we had enough Eucharistic ministers comfortable in distributing the Precious Blood. Well, with St. Michael's Kalida, I had the chance to meet with all our current ministers and it seems that logistically we can make this happen. So, starting next weekend (Dec. 3-4), the Precious Blood will be offered at the weekend Mass at St. Michael's. We will begin with just two ministers who will stand near the side isles, and thus can offer the Precious Blood to either Communion line (i.e. center isle line and side altar line).

A couple of practical points to keep in mind. First, by receiving the Host, you are already receiving the fullness of Christ's presence. Thus, by receiving the Precious Blood, you are not in effect receiving "double Jesus" or a fuller Communion. Secondly, you are receiving the fullness of Christ even in the smallest drop of the Precious Blood. Thus, there is no need to consume a large quantity of the Precious Blood, and we would encourage folks not to do so out of consideration for those behind you in line. Third, if you are uncomfortable receiving the Precious Blood, do not feel pressured into doing so. Fourth, if you feel ill, out of Christian charity and prudence, we would encourage you not to receive the Precious Blood.

If there are any questions, concerns, or thoughts, feel free to reach out to me directly. In the spring, we will look to offer opportunities to train new Eucharistic Ministers. God Bless.
