# BATTLE OF THE BLOODS

(PRECIOUS BLOODS, THAT IS)

Fr. Mark has challenged Fr. Tony to a battle (a softball game) between the Archangels of Kalida St. Michael and the Dragons of Glandorf St. John.

This inaugural softball game will be held on Saturday, September 26, after the 7:00 p.m. Outdoor Mass, at Kalida's Historic Holy Name Ballpark. We will be playing this game under the lights! We will alternate girls playing against girls one inning, followed by guys vs. guys the next, and so on. While this will be a friendly competition, we definitely want to win, so we need your help.

If you think you have what it takes to help the Archangels slay the Dragons, call Fr. Mark (419-969-0148) or see him at Pioneer Days to sign up for the team. Deadline is Monday, September 14. This is for ages high school up to age 110 or so.

Food & drinks will be available after Mass for players and spectators to enjoy!

## From the Desk of Fr. Mark

Happy Pioneer Days in Kalida.

In a few weeks, we'll celebrate in Continental. These towns' celebrations bring back memories of the past and hopes for the future. We celebrate who we are today and give thanks to those who have worked hard to build our towns into what they have become. We are the living legacy of our ancestors and are building the legacy of generations to come. Those who built our towns worked hard to establish a living community. These celebrations are more than social burgers, fries and baked goods. They are more than a lively game of Bingo or entertainment of the Flying Walenda's. They are more than the history of the oldest festival in Ohio or the nicest parade this year. These celebrations are about keeping our towns strong where future generations can live and be proud to call this area their home. These celebrations are about legacy.

As I've asked couples who are planning their wedding celebrations what they want their legacies to be, many respond with "a good strong family." This year, the pope will journey to the United States to discuss what family is, from a cultural and spiritual perspective. The family is how towns and churches grow and are sustained. Just as it took work for our ancestors to establish towns, it takes work to be family.

Families don't just happen, they take work. Sitting down to share a meal as a family is not as easy as it used to be. There are many activities that family members are involved with which keep them from a common table. Fast foods are available to ease the hunger, but perhaps not the hunger for family. In the past, stores were not open on Sunday and church was where families joined. Faith in a family setting can't be purchased. It only happens when a family prays together.

This is a year to look at family in our parishes. Pray as a family at meal time or bed time. Come to church as a family to pray and thank the Lord for family. Say a rosary or a decade of the rosary together or share bible verses. There are many ways to keep a family together, and prayer is an excellent way.

Throughout the year, our parishes will be doing family-friendly events. Look for them and plan on attending. Let us keep our families strong. Let us keep our parish families strong. The legacy continues.

Have a great week, everyone. *Fr. Mark*

## Senior Retreat

Twelve seniors tried to answer the question, "Where's your paddle?" as they journeyed on the Senior Retreat in August. After a morning hike and a visit to the historic Ohio State Reformatory in Mansfield, we took a canoe trip down the Mohican River. After giving them some challenges like canoeing blindfolded, up stream and even without paddles, they finally made it to the 7 mile point – 3 1/2 hours later! After dinner, we took time discussing how canoeing without a paddle is like going through our daily life without God. Many more discussions arose from all the Saturday events. On Sunday, we celebrated Mass and visited the National Shrine of Our Lady of Consolation, in Carey. Here's what they had to say: "My favorite part of the retreat was the trip to the Reformatory (hard decision though, it was all good!). We learned about the different types of people that stayed there, for many reasons and of many religions/backgrounds." Another said "I liked being with others and the ideas on how to stay Catholic in college." Many thanks go out to the Retreat Team: Don Rall, Annette Gerding and Mary Siefker.
