

Preschool Interest Survey

St. Michael's Parish and Kalida Family Outreach Center are joining together to bring a Biblically-based Preschool to Kalida in the 2022-23 school year. This is not a registration, but a survey to gauge the interest and need in the community. This preschool is not affiliated with Kalida Schools in any way. Please fill out this form and return it in the collection or to the Parish Center by **Tuesday, October 12, 2021.** If you have questions, contact Fr. Mark.
